

Technologies:

IP24

We present to you a next-generation ELDOM water heater in modern matte black.

- Full remote control of the appliance`s operation via the Internet – easy and convenient access

to ELDOM electric water heaters from all over the world.

- User-friendly MyELDOM app for Google Play and App Store
- Intuitive electronic control with touch buttons.
- "Self-learning" mode: The intuitive self-learning software monitors the warm water consumption from the water heater for a period of one week and adapts its operation in the future.
- Mode „Smart Control": Intended for automatic selection of the most appropriate temperature to which water will be heated, in order to achieve the lowest electricity cost under permanent provision of warm water.
- Weekly programmer with time and date setting and a Holiday mode - a unique option for delayed start at a time of your convenience.
- Electronic thermostat with a water heating temperature precise setting function.
- Delayed start function.
- ECO-function: optimizing the water heating mode which results in extra energy savings.
- ENERGY SAVING - the thick insulation of 33 mm Closed-Cells HFO penopolyurethane foam ensures extremely low heat losses and saves money.
- LONG LIFE - water tank coated with a wear-proof zirconium enamel and two magnesium protectors for an optimal anti-corrosion protection of the whole volume.
- RELIABLE - with a unique "6-Level protection".
- Temperature indicator - it measures the water heating temperature.
- Combined safety valve - acting as a balance, return and differential valve.
- Elliptic flange with a special design - guaranteeing your safety.
- Electrical tube heating element - designed and manufactured by ELDOMINVEST, by a last generation technology.

Installation:	Vertical
Capacity range:	80
Water tank:	Enameled
Nominal power (kW):	3
Energy efficiency class:	B
Control:	electronic control
Type of electric heating element:	Immersion heating element
Weight [kg]:	28
Dimensions ØxH [mm]:	387 x 1125
Voltage [V]:	230 V~
Nominal pressure [MPa]:	0.8
IP protection:	IP24
Wi-Fi control:	yes
Nominal volume [l]:	
Load profile:	M
Colors:	Black Matte
