Water heater 150 L, Intelligent Wi-Fi control, Enameled

ErP READY

A B G

Technologies:

ENERGY SAVING, RELIABLE, LONG LIFE

• **Remote control via the Internet** – easy and convenient access to ELDOM electric water heaters from all over the world.
• **Full control of the appliance`s operation** – setting all of the functions and options in the menu from a distance.
• **User-friendly MyELDOM app** for Google Play and App Store

• **"Self-learning" mode:** The intuitive self-learning software monitors the warm water consumption from the water heater for a period of one week and adapts its operation in the future.
• **Mode „Smart Control":** Intended for automatic selection of the most appropriate temperature to which water will be heated, in order to achieve the lowest electricity cost under permanent provision of warm water.
• **Weekly programmer** with time and date setting and a Holiday mode - a unique option for delayed start at a time of your convenience.
• **Electronic thermostat** with a water heating temperature precise setting function;
• **Delayed start function**;
• **ECO-function**: optimizing the water heating mode which results in extra energy savings.
• **ENERGY SAVING** - the thick insulation of 33 mm Closed-Cells HFO penopolyurethane foam ensures extremely low heat losses and saves money;
• **LONG LIFE** – water tank coated with a wear-proof zirconium enamel and two magnesium protectors for an optimal anti-corrosion protection of the whole volume;
• **RELIABLE** - with a unique "6-Level protection"
• **Temperature indicator** – it measures the water heating temperature;
• **Combined safety valve** – acting as a balance, return and differential valve;
• **Elliptic flange with a special design** - guaranteeing your safety;
• **Electrical tube heating element** – designed and manufactured **by ELDOMINVEST**, by a last generation technology.

Installation:	**Vertical**
Capacity range:	**150**
Energy efficiency class:	**B**
Weight [kg]:	**43**
Voltage [V]:	**230 V~**
Nominal pressure [MPa]:	**0.7**
Supply:	**Electrical**
Nominal power (kW):	**3**
Wi-Fi control:	**yes**
Colors:	**White**
